MY FAIR HOLDINGS LTD

About Us

Our China factory has been crafting high-quality garments for men, women, and children for over 20 years. We specialize in denim, stylish pants, fashionable shirts, knitted sweatshirts, yoga and activewear, pullovers, T-shirts, polos, and sweaters in various gauges (3/5/7/12/14).

With extensive experience exporting to Australia, the USA, the UK, and Europe, we take pride in the outstanding satisfaction expressed by our customers. The positive feedback we receive reflects our commitment to excellence.

We proudly accept all OEM and ODM orders, ensuring that we deliver perfection every time. Our commitment to quality and expertise will support your brand's success!

The Philosophy Of Business

At our fashion firm, we blend professionalism and reliability at every step of the supply chain. With 20 years of expertise, our dedicated teams deliver all-in-one comprehensive services that guarantee exceptional quality, efficiency, and ethical sourcing. Experience the difference with us and elevate your brand to new heights!

Kohl's Corrective Action Plan

The "Corrective Action Plan (CAP)" will be used to summarize the factory monitoring visit findings and a corrective action plan that both the monitor and the factory manager believes is reasonable to ensure conformity with the Kohl's Terms of Engagement and local laws.

The form should be used in the following manner:

- Document all violations on the form below (prior) to the closing meeting;
- Then use the form as an agenda during the closing meeting;
- During the closing meeting, go through the factory monitoring visit findings with the factory management, and try and agree upon a corrective action plan;
- Document the corrective action plan;
- Both parties should sign and date the form.

Please leave one copy of the CAP with the factory manager and retain one copy with the monitoring program or working papers.

CORRECTIVE ACTION PLAN ACKNOWLEDGEMENT REPORT

The Corrective Action Plan Acknowledgement Report (CAPAR) will be used to summarize the preliminary root cause findings and a draft corrective action plan that both the auditor and the facility representative believe reasonably is accurate conformity with the Drawing Code of Conduct for Manufacturers (Drawing Code of Conduct) applicable local laws.

The form should be used in the following manner:

- Document preliminary audit findings on the form below prior to the closing meeting.
- Then use the form as an agenda during the closing meeting.
- During the closing meeting, explain the preliminary facility audit findings with the facility representative.
- Document the corrective action plan.
- Both auditor and facility representative should sign and date the form.

Please receive one copy of the CAPAR with the facility representative and retain one copy with the working papers.

P. BAO XING Feng MA, Angela... (3 ROL)

Dear Sir/Madam,

We are the INDICTX sustainability team, our primary wish is for you and your team to remain as good as human.

Liao [16/05/2020] an independent audit was performed at your facility to ensure compliance with the ISO 14001 standard. The results were satisfactory. As per the findings report, the following issues have been identified:

- Risk #1: An environmental impact assessment (EIA) study required for site clearing with estimated period to complete c.a. half the necessary completion.

We have also filed the Corrective Action Plan (CAP), where all the details about the INDICTX **GUYA**. It has been summarized together with the necessary actions to be implemented. Please read it carefully!

We understand the current COVID-19 situation and will do our best to support you in this time.

Best regards,
Sustainability Department
INDICTX

Best Regards,
Zhu Zhang
